

10 Year Summary									
1992	1993	1994	1995	1996	1997	1998	1999	2000	2001

	Q1	Q2	Q3	Q4	Average
2001					
2002	38.8	43.2			41.0

Note: In 2002 we began to compute the Average Length of Stay differently, and we believe more accurately, than we did in the past. It will take a year or two before we have sufficient data to discern any Average Length of Stay trends.
